Kemal Brown

A catalyst for growth: in people, in companies, in the world.

One perspective.
Many disciplines.
A lifetime of learning.

Kemal Brown is a Jamaican entrepreneur, author, global speaker, and Executive Chairman of the Digita Global Group, a diversified business group with subsidiaries in finance, real estate, venture capital, marketing, technology and philanthropy. A member of the Forbes Business Council and a 2019 Top Performer at the Branson Centre for Entrepreneurship, he has delivered more than 250 talks across 35+ countries and five continents. His work and insights have been featured in Forbes, Business Insider, USA Today, Television Jamaica (TVJ), The Gleaner and the Jamaica Observer. Guided by Stoicism and Kaizen, he speaks on self-mastery, entrepreneurship and growth, bringing together ideas from business, philosophy and other disciplines to encourage deliberate thinking, purposeful action and continuous improvement.
